

## 2021 a Year in Review

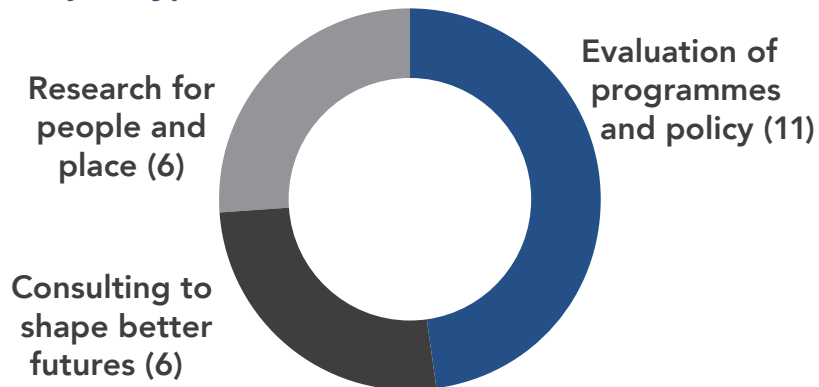

### Our work supported...

**18 clients - 8 returning and 10 new**

#### Sectors:

#### Project type:

### Our work traversed many sectors, including...

**Arts and heritage**   
 Leading national and regional State of the Arts surveys  
 Supporting fringe theatre to capture their community value and impact

**Environment**   
 Exploring the difference being made by Enviroschools initiatives  
 Evaluating ocean conservation engagement by school children

**Community**   
 Evaluating community-led development initiatives  
 Exploring opportunities and challenges facing a small coastal community  
 Evaluating innovative approaches to community grant-making

**Education**   
 Gathering learning from an education innovation incubator  
 Exploring impacts of outdoor education with young people

**Health**   
 Exploring value for investment from mental health and addictions initiatives for young people  
 Gathering stories of responses to COVID-19 by Pacific community organisations  
 Evaluating peer support services

**Transport**   
 Investigating the innovation potential in urban place-making
